First Class Mortgage Celebrates Its 15th Anniversary

For Immediate Release:

FARGO, ND — July 12, 2018 — First Class Mortgage, a locally-owned residential mortgage company, announced it is celebrating fifteen years of business this July.

Recognizing that mortgage transactions were becoming increasingly complicated, Dan Van Winke and Greg Dean created a mortgage company to simplify the residential mortgage process. Since then, First Class Mortgage has expanded from its original location in Fargo, ND, to add offices in Grand Forks, ND in 2004 and Maple Grove, MN in 2006.

“When we opened the doors of First Class Mortgage, our goal was simple; to create a mortgage process that is built on communication and providing a customized mortgage solution for each customer. With our dedicated employees and business partners we are thrilled to be celebrating the 15th anniversary of making that goal a reality,” said Van Winkle when discussing the anniversary. “We are excited about the future of the mortgage industry, and we will continue to work hard to provide every customer with an exceptional mortgage experience.”

To kick-off its anniversary celebration, First Class Mortgage is hosting a community block party in its parking lot, August 14th 4:30-7:30 pm. The event will feature multiple local food trucks, music, prize drawings and inflatable games for the kids. First Class will donate \$1 for every person served at the food trucks, to Make-A-Wish ND.
